## Greetings to Our Dahlia Friends and Customers . . .

We want to thank you all for the fine orders you gave us last year, and hope you had a glorious dahlia season. We know many of you did, from the large number of nice letters we have received from you.

Again, we take great pleasure in handing you our 24th annual price list for 1962. This year, we have added some new varieties and discarded some older ones. We are holding our prices down to a minimum low this season. Please look them over and see what can be obtained for 50c or less.

PLEASE ADD 45c TO EACH ORDER TO HELP PAY POSTAGE. BARGAIN COLLECTIONS ARE POSTPAID.

If unsatisfactory upon arrival, or if they fail to start in a reasonable time, return at once and they will be replaced. However, very early shipments are sent at customer's risk of freezing, drying or rotting. We are not responsible in any case for more than the purchase price.

May we suggest that if you are ordering more than three roots of a variety, will you kindly write us before sending in your order, to ascertain if we have them in stock. Almost every year there is a shortage of certain varieties.

**WE SUGGEST THAT YOU SEND IN YOUR ORDER FOR DAHLIAS EARLY.** All orders will be filled in rotation. We shall be glad to reserve your roots for you, and ship at any time that you desire.

Our gardens have been state inspected and have been found to be free of dangerously injurious insects and plant diseases.

To all we extend a cordial invitation to visit our gardens during the growing season and blooming period. The dahlias are usually at their best the first part of September.

Our gardens are located five miles east of Fairmont, one mile off State Route 73, on the Winfield Road at the village of Winfield.
